TO: All Subscribers of the Massachusetts Port Authority Terminal Tariff No. 2 and Valued Customers

On June 15, 2023, the Board of the Massachusetts Port Authority voted to increase the rates on its Terminal Tariff No. 2. The new rates in Terminal Tariff No. 2 are **effective January 1, 2024**.

The provisions of **Terminal Tariff No. 2** apply at the former Boston Army Base Terminal including that section of it re-named "Flynn Cruiseport Boston at Black Falcon Terminal" and that section of the former South Boston Naval Annex renamed Massport Marine Terminal which includes, for tariff purposes, the pier known as the North Jetty, as indicated on the Tariff.

The charges in Terminal Tariff No. 2 have increased approximately 5% and the schedule of fees can be found at the end of the document for easy access.

The tariff is available through the Authority's website site at:
