

Table of Contents

1 Introduction/Executive Summary	1-1
Introduction	1-1
Logan Airport Environmental Review Process.....	1-2
Overview of Logan Airport	1-3
2004 Highlights and Accomplishments	1-6
2020 Highlights	1-10
Sustainability at Logan Airport	1-12
Organization of the <i>2004 ESPR</i>	1-14
2 Activity Levels.....	2-1
Introduction	2-1
Key Findings	2-1
Airport Passengers in 2004.....	2-2
Aircraft Operations in 2004	2-4
Low Cost Carrier Trends in 2004	2-5
Passengers and Operations Trends in 2004	2-5
Airline Passenger Service in 2004	2-6
Cargo in 2004	2-9
Airline Industry Analysis.....	2-10
Aviation Activity Forecasts.....	2-19
3 Airport Planning.....	3-1
Introduction	3-1
Projects Completed in 2004.....	3-1
Ongoing and Future Projects/Planning Concepts	3-3
Terminal Area Projects/Planning Concepts	3-5
Service Area Projects/Planning Concepts	3-8
Airside Area Projects/Planning Concepts	3-13
Airport Buffer Projects.....	3-15
Airport-wide Projects.....	3-18
Airport Parking Projects/Planning Concepts.....	3-18

2004 ESPR

LOGAN INTERNATIONAL AIRPORT

4	Regional Transportation Context	4-1
	Introduction	4-1
	Key Findings	4-1
	New England Regional Airport System	4-2
	Regional Airport Activity Levels	4-4
	Regional Airport Improvement Plans	4-10
	Initiatives in Support of Regional Alternatives	4-12
5	Ground Transportation Improvement	5-1
	Introduction	5-1
	Key Findings	5-3
	2004 Conditions	5-4
	Logan TMA	5-17
	Logan Airport 2003/2004 Air Passenger Survey	5-20
	Airport Employee Trips	5-27
	Ground Access Traffic Conditions	5-27
	2004 Parking Conditions	5-32
	2020 Conditions	5-36
	Ground Access Planning	5-37
6	Noise Abatement	6-1
	Introduction	6-1
	Key Findings	6-1
	Regulatory Framework	6-3
	Noise Modelling Process	6-5
	Noise Model Inputs	6-7
	2004 Noise Levels	6-21
	2020 Noise Levels	6-46
	Noise Abatement	6-50
7	Air Quality/Emissions Reduction	7-1
	Introduction	7-1
	Key Findings	7-1
	Regulatory Framework	7-2
	National Air Quality Standards	7-3
	State Implementation Plan	7-6
	Logan Airport Air Quality Permits	7-7
	Emerging Air Quality Issues	7-8
	Emissions Inventory	7-12

2004 ESPR

LOGAN INTERNATIONAL AIRPORT

Emissions Inventory for 2004.....	7-16
Projected Emissions Inventory for 2020	7-25
Air Monitoring Data	7-27
Air Quality Emissions Reduction.....	7-31
Air Quality Initiative	7-31
Alternative Fuel Vehicles Program	7-36
Air Quality Management Status	7-37
8 Water Quality/Environmental Compliance	8-1
Introduction	8-1
Stormwater Management.....	8-2
Fuel Use and Spills.....	8-5
Tank Management Program	8-7
Site Assessment and Remediation.....	8-7
Environmental Compliance and Management.....	8-12
9 Sustainability	9-1
Introduction	9-1
The Concept of Sustainability	9-1
Background on Massport's Sustainability Efforts.....	9-4
Sustainability at Logan Airport	9-4
10 Project Mitigation Tracking	10-1
Introduction	10-1
Projects Nearing Completion of Mitigation Requirements	10-2
Projects with Ongoing Mitigation.....	10-8

List of Appendices

MEPA Appendices

Appendix A – MEPA Certificate and Responses

Appendix B – Comment Letters and Responses

Appendix C – Proposed Scope for 2005 EDR

Appendix D – Distribution

Technical Appendices

Appendix E – Activity Levels

Appendix F – Regional Transportation Context

Appendix G – Ground Transportation

Appendix H – Noise Abatement

Appendix I – Air Quality

Appendix J – Water Quality/ Environmental Compliance
