

A461 – Building Conditions & Sustainability Design Services

ADDENDA & RESPONSES TO QUESTIONS April 9, 2024

The attention of consultants submitting proposals for the RFQ is called to the following Addenda & Responses to Questions to the subject RFQ. The items set forth herein, whether of omission, addition, substitution, or clarifications are all to be included in and form a part of the proposal submitted.

Addenda:

Not applicable.

Responses to Questions:

1. Page 6 of the RFP states that "a copy of the Authority's standard agreement can be found on the Authority's web page at <http://www.massport.com/massport/business/capital-improvements/important-documents/>."

When I go to that page however, I'm seeing 3 versions:

- Work Order Service No Design Language Standard Contract
- Work Order Design Standard A/E Contract
- BIL Grant—Work Order Design—Standard A/E Contract (For Federally Funded Projects)

Could you please confirm which version of the Terms & Conditions we should review?

You may review "Work Order Design Standard A/E Contract."

2. Regarding the DBE objectives of this project, is there a targeted Diversity Requirement? Will that target be made more clear for the RFP?

There are no DBE objectives or requirements for this solicitation. There are, however, standard M/WBE goals. As stated on Page 7 of the Solicitation, "The Commonwealth of Massachusetts establishes combined M/WBE participation goals of 21.6% for design of state-funded and state-assisted projects. Massport will be highly interested in those proposals whose strategy and approach exceed the stated goal." The bidders may refer to Page 7 of the Solicitation for further Compliance information.

3. 1. If successful, do consultants reserve the right to decline to bid on task orders?

No.
