

Boston Logan International Airport has many vegetarian options available.

- menu items are subject to change (5/16/2025)
- (v-vegan)
- Closest gate location displayed next to each restaurant

At Boston Logan, we understand that many people have varied dietary preferences. To accommodate these needs, our restaurants offer a variety of food choices, from salads, veggie burgers, and sushi, to so much more. Whether you're vegetarian, vegan, or have other dietary requirements, there are plenty of options to choose from. Please ask our restaurant employees if you have any questions and alert them if you have any allergies.
