

H319 – Civil Air Terminal Architectural and Security Upgrades

ADDENDA

&

RESPONSES TO QUESTIONS

May 8th, 2024

The attention of consultants submitting proposals for the RFQ is called to the following Addenda & Responses to Questions to the subject RFQ. The items set forth herein, whether of omission, addition, substitution, or clarifications are all to be included in and form a part of the proposal submitted.

Addenda:

Please substitute:

1.2 REQUESTS FOR QUALIFICATIONS

In accordance with procedures approved by the Massachusetts Inspector General, Massport has publicly advertised a Request for Qualifications (“RFQ”) for Construction Management Services. In accordance with the advertisement, the following Supplemental Information Package is made part of the Request for Qualifications.

Qualification Statements will be addressed to Luciana Burdi, Intl. Assoc. AIA, CCM, MCPPO, NAC, Director of Capital Programs and Environmental Affairs and be received no later than **12:00pm NOON on Tuesday, May 21st, 2024** via Bid Express <https://www.bidexpress.com/businesses/27137/home>. Subsequent to that time, a PreQualification Committee will review the Qualification Statements and shortlist qualified firms. Further milestone dates can be found in Section 2.6 of this package. Further electronic submission information can be found in Section 4.1 of this package.
